

## Level 2 Baker, AP04 and AP05

### Level 2 End-point Assessment for Baker AP04

#### Knowledge Test (KT)

- The knowledge test assesses the underpinning knowledge and understanding of the apprentice across all knowledge statements within the standard
- There will be **60 multiple choice questions: 40 questions** on core knowledge and **20 questions** on knowledge relating to one option, as appropriate to the apprentice's workplace: craft, **90 minutes** are allowed to complete the test.

The KT will be graded fail, pass, merit or distinction.

Fail	Pass	Merit	Distinction
Scored 39 or less	Scored between 40 and 50	Scored between 51 and 55	Scored between 56 and 60

The KT carries a weighting of 20% within the overall apprenticeship grade.

#### Assessment Centre Observation (ACO)

The independent examiner will assess the apprentices' competence at undertaking the following core skill:

- Produce a loaf of bread by hand with no mechanical aids – using only flour, salt, water and yeast

The apprentice will also be assessed on one of the following three core skills during the ACO. They will not have prior knowledge on which of these three will be assessed.

- Produce a cake/sponge product to specification using the manual or mechanical processes
- Produce a pastry product to specification, using the manual or mechanical process including sweet or savoury
- Produce an enriched dough to specification, using the manual or mechanical process

The apprentice will have a maximum period of one day, **up to 7 hours**, to complete both activities in the test.

The ACO will be graded fail, pass, merit or distinction.

Fail	Pass	Merit	Distinction
19 Pass points or less	20 Pass points and up to 30 Outstanding points	20 Pass points and 31-36 Outstanding points	20 Pass points and 37-40 Outstanding points

The ACO carries a weighting of 35% within the overall apprenticeship grade.

### Workplace Observation and Interview (WOI)

The following activities will be assessed in the workplace observation. The apprentice will be assessed on adhering to hygiene, health and standards and maintaining the work environment both during the activities and at the end of the observation.

- Craft Skills OR in-store skills OR automated skills
- Core Skills
- Core Knowledge
- Behaviours

The workplace observation and interview will be between 6 to 8 hours, depending on the pathway.

The interview will be no longer than 45 minutes within this period.

Each element is scored according to the assessment criteria.

Craft Skills Observation	80 points
Core Skills, Knowledge and Behaviours	120 points

The craft, in-store / automated and Core skills, knowledge and behaviours will be assessed as being either acceptable or outstanding.

Fail	Pass	Merit	Distinction
Scored 99 or less Pass points	Scored between 100 and 150	Scored between 151 and 180	Scored between 181 and 200

The workplace observation and interview carries a weighting of 45% within the overall apprenticeship grade.

## Level 2 End-point Assessment for Baker AP05

### End-point Assessment method 1: Observation with questions (OQ)

The following activities will be assessed in the observation. The apprentice will be assessed on adhering to hygiene, health and safety standards and maintaining the work environment both during the activities and at the end of the observation.

The observation should be conducted in the following way, to take account of the occupational context in which the apprentice operates.

- Tasks related to craft baker duties
- Tasks related to plant baker duties
- Tasks related to retail baker duties

The apprentice will be asked to complete **8 activities**. Tasks are not listed in any particular

#### OQ Questioning session

A minimum of 6 open questions will be asked.

Questions will be taken from FDQ's OQ item bank. Questions may be asked during the observation (in natural stops between tasks) and at the end of the observation. The IE will remain as unobtrusive as possible during the observation.

The OQ will be graded fail, pass, merit or distinction.

Fail	Pass	Merit	Distinction
Did not achieve all Pass criteria	Achieved all Pass criteria and 3 or less Distinction criteria	Achieved all Pass criteria and between 4 and 7 Distinction criteria	Achieved all Pass criteria and all 8 Distinction criteria

The OQ will be 4.5 hours, +10% as required, (5 hours maximum), to include time for questioning. The observation will take place in one continuous session, allowing comfort breaks as necessary.

### End-point Assessment method 2: Interview underpinned by portfolio of evidence (IN)

The Interview underpinned by portfolio of evidence involves the IE asking the apprentice a series of questions to assess competence against the KSBs that do not occur on a predictable or regular basis. Questions will be open and competence-based, with additional follow up questions for clarity.

The questions will be a combination of standardised questions from FDQ's IN question bank and questions devised by the IE, based on the portfolio of evidence.

A minimum of **8 questions** will be asked, at least one for each of the 8 following topics:

The IN will be graded fail or pass.

Fail	Pass
Did not achieve all Pass descriptors	Achieved all Pass descriptors

The IN will last for 45 minutes + 10% as required, maximum 50 minutes.

### End-point Assessment method 3: Multiple-choice Test (MCT)

- Knowledge Test assesses the underpinning knowledge and understanding of the apprentice through 40 multiple-choice questions, one point is allocated to each question.
- There will be 36 questions on core knowledge and 4 questions on knowledge relating to craft bakery.

The MCT will be graded fail or pass.

Fail	0	27
Pass	28	40

The MCQ allows 60 minutes to complete the test.

### Main Differences

- **Knowledge Test (KT) AP04** – 60 questions, 90 minutes (pass, fail, merit, distinction)
- **Multiple-choice Test (MCT) AP05** – 40 questions, 60 minutes (pass, fail)
- **Assessment Centre Observation (ACO) AP04** – up to 7 hours (pass, fail, merit, distinction)
- **End-point Assessment method 1: Observation with questions (OQ) AP05** - will last for 4.5 hours, +10% as required, (5 hours maximum), (pass, fail, merit, distinction)
- **Workplace Observation and Interview (WOI) AP04**, up to 8 hours (pass, fail, merit, distinction)

- **End-point Assessment method 2: Interview underpinned by portfolio of evidence (IN) AP05,** will last for 45 minutes + 10% as required, maximum 50 minutes. (pass, fail)
