

FDQ - Qualification Specification

FDQ number	Qualification title	Qualification number (QN)	EQF Level	Review date
296	FDQ Level 2 Award in Food Safety for the Retail Industry	603/6394/0	3	31/01/2027

Qualification Purpose

This qualification is designed for learners who are working in, or preparing to work in the food retail sector, in operative, supervisory or management roles. It has been designed to assess aspects of food safety across the full spectrum of the food retail sector.

The aim of this qualification is to assess underpinning knowledge to recognised National Occupational Standards.

Ofqual purpose – E.3 Develop knowledge and/or skills relevant to a particular specialisation within an occupation or set of occupations

Learners must be a minimum of 14 years old to take this qualification. Learners do not require any prior qualifications or units or food skills experience to take this qualification, although achievement of a Level 2 Food Safety or HACCP qualification may be an advantage to some learners.

See below for: (i) a complete list of units that make up the qualification and their value within the qualification and (ii) the minimum and maximum Credits, Total Qualification Time and Guided Learning Hours.

This qualification could lead to

The qualification will support progression to further learning in:

1. subject areas including;
 - food safety, HACCP, Allergen Awareness

2. particular qualifications including;
 - FDQ Level 2 Award in Principles of Food Allergen Awareness and Control
 - FDQ Level 2 Award in HACCP-based Food Safety Systems
 - FDQ Level 3 Award in Food Safety Supervision for the Food Industry
3. This qualification may support employment in/into operative level roles including;
 - food retail operative

Qualification support

This qualification is supported by the Food Training and Education Council.

Further Information

Further information can be obtained from our website at: <http://www.fdq.org.uk>

Or by contacting FDQ:

Tel: 0113 859 1266

Email: fdq@fdq.org.uk

Assessment

Assessment is by multiple-choice examination provided by FDQ, externally set and externally or internally marked. This qualification is an Award requiring achievement of 1 credit, graded at pass/fail. Reasonable adjustments apply that allow learner support for oral or other assessment adjustment arrangements. Assessment requirements are set out in individual units of assessment, see unit of assessment below.

Assessment is compensatory and as such, learners are not required to achieve every individual learning outcome and assessment criteria to successfully pass the qualification.

FDQ has in place a quality system comprising policies and procedures to ensure its qualifications are developed, delivered and remain fit for purpose. FDQ externally quality assures all centre assessment and internal quality assurance quality and arrangements.

Rules of Combination (RoC)

Award	
Total credits required for qualification	1
Group A - mandatory	1
Guided Learning Hours Range (min-max)	9 hours
Total Qualification Time (TQT)	10 hours

Mandatory unit

Unit ref	Unit type	Unit title	Level	Credit	GLH
